

CONTENTS

AUTUMN 2011

News

A roundup of the hot topics discussed at the third annual Cloud Computing World Forum in London including Office 365 and smartphone usage, how Benetton is updating its PLM processes with Dassault Systèmes, plus more on a report from Microsoft, HP and Capgemini looking at how consumer goods companies can improve collaboration

06

Viewpoints

Thought leadership on today's key issues across the industry from Vincent Encontre at IntuiLab, Junction Solutions' Lindsay Carpen, Peter Leith at JustEnough Software, Simon Dunleavy at Maginus, Reflexis Systems' OP Choudhary, Ritz Steytler at Servebase and To-Increase's Klavs Skovgaard Lund

18

Cover story

A perfect fit

Lindsay James finds out how US retailer Bob's Stores has maximised its inventory investment while reducing costs and stock outs with help from JustEnough Software

26

Features

Reshaping retail

From interactive shop windows and 3D merchandising to augmented reality dressing rooms – these technologies are changing the way customers shop forever. Jasmine Yalds explores the future of retailing

32

A lesson in loyalty

Today's savvy consumers are happy to shop around and find the best deal, making it increasingly difficult for retailers to attract and retain long-term loyal customers. Microsoft and its partners explain what technology is out there to help

40

Solution profile

Now available in more than 50 countries worldwide, Microsoft Dynamics AX for Retail is fast becoming the solution of choice for retailers around the world operating in both developed and emerging markets. We find out how the end-to-end retail system is meeting everyone's needs

46

Focus: tourism

Eloise Freygang explains how LS Retail solutions are helping businesses operating within the retail and hospitality sectors in India to the benefit of the country's fast growing tourism industry

54

In practice

Profiling recent technology implementations at Microsoft Store, Nestlé Breakfast Cereals, Paper Island and Isabella Oliver

56

Signing out

Making a mark in retail

Karen McCandless looks at what HP is doing to make it the top choice for retailers today
